Chained To The Bottom Of The Ocean

Chained to the Bottom of the Ocean is a monolithic doom metal band based out of Western Massachusetts. *The Vestige* is a collection of all of their previous works which are all long out of print and highly sought after. Chained has found a fan-base with their high volume live shows and presence.

The Vestige collects all the tracks from *Decay and Other Hopes Against Progress*, *I Carry My Awareness of Defeat Like a Banner of Victory*, and *Tell Me What You See Vanishing and I Will Tell You Who You Are*, within a tri-fold jacket double LP with new original art work by **Blial Cabal**. Inner panel art work by **Alex Rojas** – referencing the original releases' art.

Chained has toured up and down the East Coast and throughout the Mid-West playing shows alongside other titans in doom metal such as **Thou**, **Come to Grief**, & **Black Pyramid**.

Recorded in part by Will Killingsworth at *Dead Air Studios* and Chris Teti at *Silver Bullet Studios*.
