CHAINED TO THE BOTTOM OF THE OCEAN

“Obsession Destruction”

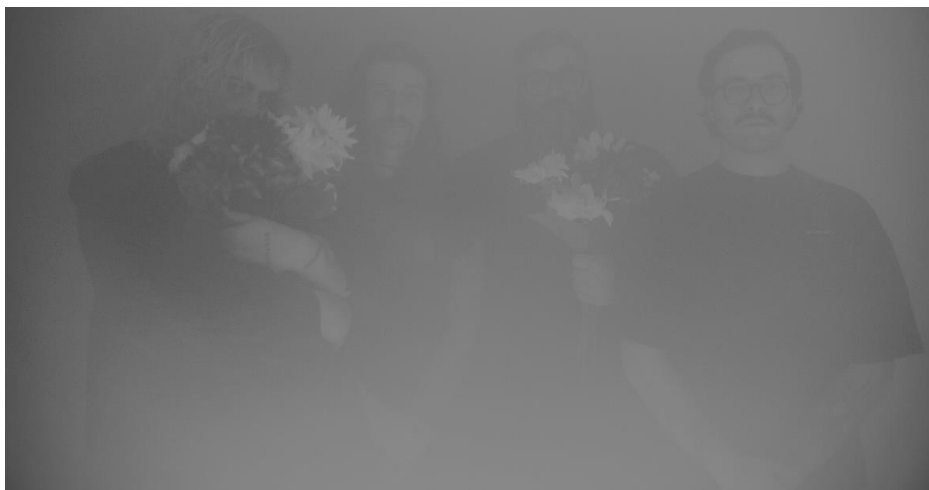

Chained to the Bottom of the Ocean is a blackened-doom heavy metal band based out of Western Massachusetts. *Obsession Destruction* is the band's first full-length coming on the heels of 5 sold out EP releases spotted over the last 5 years. **Chained** has found a fan-base by winning over crowds with unprecedented volume and uncompromising live sound.

Obsession Destruction is an eight song double LP clocking in at over an hour in length, housed in a stunning gatefold LP with artwork created by the late **Mariusz Lewandowski** (Bell Witch, Obituary, Fuming Mouth...). This full length finds the band honing the songwriting and experimentation within their fundamental sound and elevating it to the highest caliber possible.

Chained has toured up and down the East Coast and throughout the Mid-West playing shows alongside: **The Acacia Strain, Undeath, Thou, Hell, Black Tusk, Come to Grief ...**

Recorded by **Chris Teti** at **Silver Bullet Studios** and mastered by **Magnus Lingberg**. Records pressed at Burlington Record Plant.
